

CLERY TIMELY WARNING 17-5

July 5, 2017

Burglaries

The University of Missouri-St. Louis Police Department has become aware of burglaries that have occurred from July 02nd, 2017 to July 05th, 2017 in the Research Science Complex. The buildings included are William L Clay Center for Nanoscience, Research Building and Benton Hall. The burglaries were of locked offices and/or locked cabinets or desks throughout the Research Complex. Items taken are money, laptop computers and tablets/ iPads. These burglaries seem to be occurring at late hours when few people are in the buildings. Some involved forced entry while others did not.

Anyone having information concerning this incident is asked to contact the UMSL Police Department by phone, 314-516-5155. The UMSL police department has posted several documents covering various safety topics that can be reviewed at: <http://safety.umsl.edu/police/safety/index.html>

This information is provided to the community in an effort to keep the community informed of crimes on campus. The UMSL Police Department encourages victims of crime to report criminal incidents so they may receive assistance, counseling, and help with the incident in addition to helping us apprehend the suspect and providing accurate crime statistics to the community.

Please consider the following Safety Tips:

- Make sure that your belongings are secured in your locked offices or locked desks.
- If at all possible, do not leave any valuable items unattended.
- Be alert to any suspicious activity near you. Pay attention to your surroundings.
- If you notice suspicious activity, make note of the suspect's description and immediately contact the police. Do not attempt to apprehend the suspect yourself.
- Familiarize yourself with the location of emergency phones.
